

**1** Choose a uniform that fits best for your occupation from more than 60 options.

We offer uniforms to administrative, telecommunication and airline companies. Our uniforms consist of several items, and you can combine your own by choosing items from outerwear to indoor apparel and accessories.

**2** Choose the most suitable fabric.

We offer only tested fabrics from Italy and Portugal. Our garments are durable and their care is easy due to well thought composition of fabrics. All the fabrics can have Nano finish if needed.

**3** Choose the colours.

You can match uniform clothes by choosing colours that correspond your brand.

**4** Highlight your uniform - choose a colour of the separate details.

Zippers, collars, buttons, inner linings, cuffs – all they can have different colours if you like. By doing this, you can express your brand colours via clothing.

**5** Add some accesories.

Choose cravats of different shape, colour and design, choose ties and scarfs, choose belts and name cards or badges to emphasize your brand even more.

**6** When you feel like you are ready press **FINALIZE** button and you will get a full proposition of the uniforms created. You will be able to download the product specifications PDF to your email.
